CTF-EC5-MESH

CTF-EC5-MESH offers six core strengths for maximum comfort and durability. It features 3D adjustable armrests, an adaptive waist design, and a cushion with a cambered head pillow for different heights. Its nylon and glass fiber backrest is strong and pressure-resistant, while the high-quality mesh fabric is breathable, wear-resistant, and anti-static. Designed for flexible movement, it's built to last through long use.
